

OHTA PRECISION(M) SDN BHD

Occupational, Safety & Health Policy

Ohta Precision (M) Sdn. Bhd. is committed to providing a healthy and safe work environment for its workers and preventing occupational illness and injury. To express that commitment, we issue the following policy on occupational health and safety.

Ohta Precision (M) Sdn. Bhd. will make every effort to provide a healthy and safe work environment. We are dedicated to the objective of eliminating the possibility of injury and illness. This company aims to ensure that all activities carried out on its factory or undertaken by its employees or visitors are managed in such manner so as to avoid, reduce or control, all possible risks to the health and safety of any person(s) who may be affected by such activities to a tolerable level.

The workers of Ohta Precision (M) Sdn Bhd will be required to support this organization's health and safety initiative and to cooperate with the SHE Community and with others exercising authority under the applicable laws. It is the duty of each worker to report to the supervisor or manager, as soon as possible, any hazardous conditions, injury, accident, or illness related to the workplace. Also, workers must protect their health and safety by complying with applicable determination of legal requirements and other requirements and following policies, procedures, rules and instructions as prescribed by Ohta Precision (M) Sdn Bhd.

To achieve this policy the company fully encourage and give its fullest support to promote occupational safety and health in the workplace and create a healthy and safe work environment.
